The Floral Trunk

visit us online at:

[www.thefloraltrunk.com](http://www.thefloraltrunk.com)

We do not deliver items purchased from other than our store.

### Our Delivery Area

Our delivery area is defined by:

- on the north, Stacy,
- on the south, Hastings,
- on the east, River Falls, and
- on the west, Wayzata.

Due to the geographic size of our delivery area, we rarely can go back to an area after we've once been there in a day.

So if we go to Minneapolis on our first run, we generally do not go back again in the afternoon.

We do not call or send out confirmations of delivery.

### Local Delivery

Local delivery is considered: Hugo, White Bear Lake, Mahtomedi, Dellwood, North Oaks and Vadnais Heights.

We will deliver to these communities as often as necessary each day.

The zip codes that represent this local area are: 55110 55127 55115 55038

### Downtown Zone Deliveries

If a delivery is within one block of the store, we deliver free of charge.

We do not deliver on Sundays with the exception of funeral work.

All deliveries must be paid prior to sending.

### Timed Deliveries

We cannot offer timed deliveries. You may request first run or last run. If others prior to you have also requested first run, you understand that yours may not be the first delivery. We can only tell you that it will be on the first route. There could be up to ten on that route.

### Last Run

When you request last run of the day, you understand that this could be prior to 12 noon. We do not keep a driver on for one late delivery. That would in essence be a timed delivery, which we cannot offer.
